Mystery Book Club

Thursday, May 29 from 5-6 PM
Read and discuss *The Boy from the Woods* by Harlan Coben: "The man known as Wilde is a mystery to everyone, including himself. Decades ago, he was found as a boy living feral in the woods, with no memory of his past. Now, thirty years later, Wilde still doesn't know where he comes from, and he's back living in the woods on the outskirts of town, content to be an outcast, comfortable only outdoors, preferably alone, and with few deep connections to other people. When a local girl goes missing, famous TV lawyer Hester Crimstein--with whom Wilde shares a tragic connection--asks him to use his unique skills to help find her. Wilde must return to the community where he has never fit in and where the powerful are protected even when they harbor secrets that could destroy the lives of millions . . . secrets that Wilde must uncover before it's too late." — Publisher review. Registration required.
